

HERE'S the POINT

By SPENCE HELD

Henry Gunther asked me to thank the Peninsula residents who remembered him with cards, flowers and personal visits during the Christmas holidays.

My wife and I visited him at the County Hospital on Christmas Day. The veteran swimmer, coach, who will be 77 years old Jan. 23, looked thin and pale as he greeted us from his bed in Wing D.

But he managed a smile at my feeble witticism and was genuinely glad to see my wife. This is as good a time as any to admit that she was responsible for the column I "wrote" about him last August.

She was one of a group of his old friends and pupils who got together with him for Henry Gunther Day at McCall Beach, La Playa, and she collected enough names, incidents and dialogue for a full column. Not only that, but she wrote it for me. All I did was gild the lily.

Well, that's unimportant. The heart-warming thing is that Henry Gunther received numerous cards and letters from persons who read the column. And on Christmas he expressed his gratitude to them.

Back in 1935, as a reporter for a daily newspaper, I started the harmless custom of picking the biggest San Diego news stories of the year.

The other sheets, including the now-defunct Sun and Journal, later followed suit. Personally, I abandoned the project along about 1941 and this is the first time I've been tempted to do something like it again.

There were plenty of big stories in the Peninsula area during 1954. The successful local campaign against the \$16 million sewer bond issue, for instance, and the fight for the Mission Bay channel dredging.

But a recitation of past events is apt to be dull, so I'm going to skip it, I'll say this, however: Col. Tom Drake, spearheading the attack against a Point Loma sewage disposal plant, displayed a lot of guts and ability.

The same goes for Admiral Frederick C. Sherman, USN, ret., in his campaign for a public park in the Ft. Rosecrans military reservation. I'd be inclined to put Drake and Sherman at the top of any list of civic-minded Peninsula residents.

Kite Day last March was "a gas," as the teen-agers say, and my favorite 1954 headline was: OCEAN BEACH HIGH AS A KITE.

The Daz-O-Fun parade staged by John Pierce proved entertaining. . . I enjoyed covering the Point Loma High School football games. . . Charlie Freeman and I had fun navigating the Catalina River in full flood. . . And the Christmas season, with its spirit of good will, climaxed a satisfying year on the Peninsula News.

Who do you like in the Rose Bowl—USC or Ohio State?

Don't tell the sports writers, but it's no treat for USC to walk across the street to the Rose Bowl. The Big Ten teams have quite an incentive in coming west to "glamorous Hollywood"—hawl!—and they're hopped up and rarin' to go come New Year's.

For a California team, it means only an extra month, more or less, of drudgery on the practice field and then just another game.

USC, No. 2 on the Coast, compares favorably with Ohio State on the basis of regular-season games with common opponents like Pitt, Northwestern and Cal.

But football is a game of spir-

Rosecrans Area Businessmen See Good Year

By CHARLES M. COSGROVE

Business leaders in the Rosecrans St. area agree that 1954 was a successful year and that the coming year will be just as good, if not better, for local business, according to a survey conducted early this week.

The Cubic Corporation serves as an example. Walter J. Zable, president of this firm, which is one of the most rapidly growing ones in San Diego county's sprouting electronics industry said it has experienced a 175 percent increase in business this year.

"I'm optimistic regarding 1955 because we contemplate a redoubling of our business," Zable said. His company, he added, has an international market but a great portion of its work is in direct contract with the government in developing the electronics system.

Has 40 Employees
In the past 18 months, Zable explained, the company has boosted its employees from approximately 15 to its present 40, of whom at least 20 live in Ocean Beach or Pt. Loma. "Less than four years old, our company has achieved recognition throughout the electronics industry as an important contributor to the defense program through its research activities and through its manufactured line of instruments," he said.

"With representatives in all the major industrial centers of the United States and Canada, we are helping focus the spotlight on San Diego as one of the country's growing electronic centers."

"Better than one third of our staff, which will be increased in 1955, is comprised of fully qualified and well recognized engineers. It is due mainly to their qualifications that the company has been called upon by the government and related organizations to undertake research work in the highly complex systems in the field of aircraft and missile-flight evaluation."

The growth of the Cubic Corporation and other small electronic firms in the county gives authorities reason to be optimistic, Zable said.

"The foundation being laid by the small group with a strong engineering nucleus will create ideas and progress that should lead to large scale production benefits," he added. "With such a foundation, the field of electronics—and Cubic Corporation—cannot help but be an increasingly important factor in this area's economy."

Others Comment
Other business leaders also predict a good year for Pt. Loma. Among those who made statements were Virginia E. Boyd, proprietor of Cabrillo

it. Other things being equal, including luck, the team whose players have trained most rigorously and are most eager to pay the price of hard blocking and tackling, will win every time.

USC has a rugged line and might win—I hope they do. But don't bet on it.

INSTALLATION—New officers and directors of the Ocean Beach Kiwanis Club were installed by Daniel L. Turner, district lieutenant-governor, Tuesday night at the Kiwanis Youth Activities Bldg. Frank F. Swan, 1955 president, is shown receiving the gavel from the retiring president, Harold Thoma. Left to right are George Claspill, Chet Mellison, G. E. (Buddy) Faber, secretary; Ray Perine, Russell Bement, first vice-president; Turner, Swan, Thoma, Joseph Kenneally, treasurer; Edwin Peterson, second vice-president; Dr. Guy Everist and H. W. (Hank) Voss. Two other new directors, Don Giddings and William Knopp, are not in the picture.—Les Hamm photo.

Little Theatre Dedicated At 'U'

The Little Theatre on the campus of California Western University was dedicated at a ceremony Dec. 21.

A gift from Col. and Mrs. Irving Salomon of Escondido made possible the complete remodeling and renovating of the theatre building and an annex. The theatre is now known as Salomon Hall.

Dr. William C. Rust, University president, presided at the dedication ceremony. Admiral Frederick C. Sherman, USN, ret., chairman of the Board of Trustees, delivered the welcome. This was followed by a student production that included music, a debate skit, and a dramatic "cutting."

Others on the program were Edmund T. Price, a trustee; Dr. H. Gary Hudson, faculty chairman; Marian Richards, president of the Student Council, and Col. Salomon.

Embassy Cleaners Grand Opening

Grand opening of the Embassy Cleaners, 4320 Voltaire St., will be held Monday, Jan. 3, it was announced this week by Glenn Jacobs, former Ocean Beach business man who has been away for two years.

"This is the newest and most complete dry-cleaning and laundry shop in the area," he said. "Quality work is our goal. Come in and see our new place and get acquainted; there is plenty of parking and we will have delivery service."

Cafe, 1026 Rosecrans; Mrs. J. B. Nowell, manager of The Bonded Cleaners, 1026 Rosecrans; Leonard Bonham, Bonham Pharmacy, 1051 Rosecrans; Edgar A. Poe, Squeakers Electronics shop, 1055 Rosecrans; and Stewart Fox, the Village Store, 1135 Rosecrans.

Mrs. Boyd said, "I'm looking forward to a much better year." Mrs. Nowell, who recently joined The Bonded Cleaners, said, "I expect 1955 to be a very good year. We have wonderful regular customers and that's what counts."

Bonham predicted 1955 "will be good, probably better than this year. They talk like the tuna business is picking up and that's a good sign."

Poe and Fox also said they also foresee a good business year ahead. The former opened his shop three months ago.

Kiwanis Clubs Aid March of Dimes

Members of the Ocean Beach, Old Town and Point Loma Kiwanis Clubs were scheduled to distribute coin collectors to stores and other business sites on the Peninsula in preparation for the 1955 March of Dimes campaign which will start Monday.

Heading the drive in this area are Dave Andre, Point Loma Kiwanis Club; John Clark, Old Town president, and Frank F. Swan, new president of the O. B. club.

Harold Green, of the Marlin Inn, is community chairman for Ocean Beach-Point Loma area.

MOTOR VEHICLE DEPARTMENT MAILS REGISTRATION CARDS

The mailman this week began the Herculean task of notifying California automobile owners that the time again has come to renew the registration of their cars.

From Sacramento, the Department of Motor Vehicles on December 27 mailed more than 5,000,000 potential registration cards, containing statements of the fees motorists will pay for their 1955 license plate tabs.

Statements to owners of 1,092,000 commercial vehicles—trucks, trailers, buses and taxicabs—had been mailed earlier, and processing of certificates for these already has begun.

The regular registration period for all vehicles will be between January 3 and February 4. The Department maintains 104 branch offices, strategically located throughout the state. In addition, arrangements have been made with approximately 100 banks, staffed with department personnel, to handle registrations.

Automobile clubs and associations also are authorized to issue renewals to their members.

This year, as last, the department will issue a single tab, to be attached to the rear license plate. This is in accordance with

Freeing patients from iron lungs and releasing them from total reliance on braces and crutches are objectives of the 1955 March of Dimes scheduled to open Monday, January 3, A. I. Dickman, chairman of the San Diego County Chapter of the National Foundation for Infantile Paralysis, declared this week.

"The greatest weapon in our arsenal is our stubborn determination to return health and vigor to children and adults who have fallen victim to this crippling disease," Dickman said.

"Even if the Salk vaccine eventually banishes the fear of polio, we must make sure there are no 'forgotten victims'—those stricken before there was any polio vaccine to protect them." Hundreds of polio patients,

'Joniaux Curtains - Draperies' Is New Name for Bacon St. Store

Effective Saturday, Jan. 1, the name of Scott's Curtain Store at 1851 Bacon St. will be changed to Joniaux Curtains and Draperies.

Julius Joniaux has owned the store since Sept. 15, 1953. He resides at 4452 Del Monte Ave. with his wife, Ruth, and two children, Dick and Jim.

Joniaux had 25 years' experience with the H. C. Prange Co., of Green Bay, Wisconsin, in floor covering, draperies and furniture—from the bottom up in each department. His experience qualifies him to recom-

Drake Suggests \$7500 Salary For S. D. Mayor

Tom Drake, Ocean Beach civic leader, sent a letter to the City Council Dec. 23 suggesting that a proposition be placed on the spring election ballot to set the mayor's salary at \$7500 a year, with \$5000 for councilmen.

"It has long been recognized," he wrote, "that the work load of our City Council has tremendously increased and that the requirements of the city, along with the interests of the public, make demands upon the members of the Council that are inadequately compensated."

"It is axiomatic in business that we get what we pay for, and government certainly cannot be excepted. "I am not a candidate for either the Council or the Mayoralty."

Shopping Center Arcade Under Construction Here

La Plaza shopping center arcade, located at Niagara Ave. and Bacon St., is now under construction and is expected to be ready for occupancy about May 1.

The owners, Mr. and Mrs. Joseph Th. Joessler, of Tucson, Ariz., and Ocean Beach, have designed the arcade in contemporary style. It will be of redwood and attractive brick exterior.

Joessler is well-known as an architect in Arizona, where many buildings of Spanish design have been constructed. The Joesslers reside on Trieste Dr.

The arcade will provide parking in the center and at the rear of the eight stores. Each store will be 14x28 feet, and the design is such that two may be combined. The over-all size of La Plaza will be 100x115 feet.

C.of C. Names Officers; May Support Local Park

Harry La Dou, re-elected Monday night as president of the Ocean Beach Chamber of Commerce, indicated that the Chamber's board of directors may take action supporting the proposed public park in the vacant area of Ft. Rosecrans military reservation on Point Loma.

"I personally favor such a park," he said yesterday. "The board has the matter on its agenda for early consideration."

La Dou said that Ocean Beach merchants had a good year in 1954 and that 1955 business is expected to be even better.

His lumber company had its best year in '54, he reported.

The Chamber's new board of directors re-elected La Dou at a meeting in his home, 3226 Udall St. Dave Noel, of Noel's Bakery, was elected vice-president, and Kenneth Brown, of the Bank of America, treasurer. John A. Pierce was re-elected secretary.

It was decided to strive for further unity by expanding the Ocean Beach Chamber's membership to include all businesses in the Peninsula area. Name of the organization may be changed to conform with this expansion.

Dr. Winton Oster, who headed the Daz-O-Fun in 1952, was named chairman for next summer's celebration in Ocean Beach. "He did a fine job two years ago," said Secretary John Pierce.

New officers and directors will be installed at a dinner-dance in the Kona Kai Club Saturday, Jan. 22. Tickets are \$4 and may be obtained from Pierce or any of the directors.

Next meeting of the board will be held Tuesday, Jan. 4, at 7:30 a.m. in King's Cafe. The board will meet the first and third Tuesdays of each month.

During 1954, the Chamber's Beach Improvement Committee headed by Tom Drake, did an excellent job in working for a Federal appropriation for dredging the Mission Bay entrance channel, and construction of a groin in the vicinity of the foot of Saratoga Ave., La Dou said.

"I am confident the City will build the groin," he added. Citing another project backed by the Chamber, he said the Wabaska Freeway is expected to be completed in the not-too-distant future.

The Daz-O-Fun celebration in August, headed by Joe Richardson, was "a grand success," La Dou recalled.

SPORTFISHING RECORDS FALL

Most exceptional year in San Diego sportfishing history is drawing to a close but, even though one record after another has been ground into dust, the chances are about even that the predicted catch of 42,000 yellowtail will be reached before the birth of the new year.

On Christmas Day, the season's yellowtail catch stood at the 41,640 mark, with seven days left to reach the goal. Since the yellows still were cooperating nicely at the Rock Pile, veteran anglers believed the 42,000 mark was well within reach. Best previous year was 1952, when 34,432 yellows were brought to gaff by sportfishermen.

The outlook for 1955 appears brighter still, for anglers are almost certain to get off to a much earlier start. This year, the first yellows was taken on Feb. 27, but it was not until mid-March that the season really got rolling.

In addition to good catches of yellows, anglers were finding plenty of sport with bonito, and limit catches of red cod were the usual thing.

Point Loma-Ocean Beach area anglers who racked up good catches during the week included: Jack Andrews, Henry Wilson, Robert Enscher, O. F. Meyers, B. A. Holley, Fred E. Simmons.

Mrs. Ann Jenkins, Mr. Tony Scaramuzzo and Mr. and Mrs. Insko and his wife and two Larry Young, (Sharon Jenkins), daughters, Joy Anne and Sharon spent Christmas Day in Pauma Valley and enjoyed a dinner with all the trimmings at the home of Mrs. Jenkin's sister, up to Julian and on down to Mrs. Mickey Cheney.

Yule Seal Coin Banks Expected To Boost Total

Christmas Seal coin banks have been collected from local stores and businesses and returns are expected to boost the anti-tuberculosis fund total to within a few thousand dollars of the local goal, according to Mrs. Carl R. Anderson, Seal Sale chairman.

Active campaigning for the Christmas Seal sale ended last week, she said. However, returns from coin banks and self-seller counter cards distributed throughout the county have not been totaled.

Mrs. Anderson predicted that late returns from local residents who overlooked answering their Christmas Seal letters during the rush of holiday activities will boost the campaign over its quota during the early weeks of January.

She stressed that it is still not too late to send in contributions to the San Diego County Tuberculosis and Health Association for its 1955 program.

Contributions should be mailed to the organization at 3861 Front St., San Diego 3.

Mrs. Gladys Archibald, 4559 Bermuda Avenue spent the Christmas holidays with her mother, Mrs. O'Mara in Durte.

Dr. Myron Insko is enjoying a visit from his brother Merrill Scaramuzzo and Mr. and Mrs. Insko and his wife and two Larry Young, (Sharon Jenkins), daughters, Joy Anne and Sharon spent Christmas Day in Pauma Valley and enjoyed a dinner with all the trimmings at the home of Mrs. Jenkin's sister, up to Julian and on down to Mrs. Mickey Cheney.

Marriage Of Dr. and Mrs. Hudson's Daughter Is Announced Locally

Dr. and Mrs. H. Gary Hudson have announced the marriage of their daughter, Elizabeth Herndon, to Imre Aleksander Boba of London, England. The wedding took place in the Schloss Kapelle Blumenburg in Munich, Germany, on December 22.

The bride's father is professor of History and chairman of the faculty at California Western University. For sixteen years he was president of Illinois College, Jacksonville, Illinois, until his retirement in 1953, when he be-

came President Emeritus. Mrs. Boba studied at Illinois College and was graduated from Sweet Briar College, Virginia. She has completed work for a master's degree in Music at the University of California at Berkeley. During World War II she served as an analyst with the National Security Agency in Washington, D. C. For two years Mrs. Boba has been in Munich, Germany, as assistant to the Chief of Monitoring of Radio Free Europe.

Mr. Boba studied Library Science at the University of London and is in the Library Division of RFE in Munich, where the couple will reside.

Recently Mrs. Boba visited her parents at 936 Moana Drive, San Diego. While in the city she described the work of Radio Free Europe on a television and a radio program. From San Diego she went to Lafayette, California, to visit her sister and brother-in-law, Mr. and Mrs. Joel W. Scarborough.

Sally Bonham Weds D. L. Clark Dec. 21

Sally Bonham, daughter of Mr. and Mrs. Leroy Bonham, Newport avenue, and David L. Clark, son of Mrs. Arthur Von-Seebach, Muir avenue, were united in marriage December 21st in the home of the bride's parents, Reverend John Atwood, Point Loma Methodist Church, officiated.

The wedding was performed before the fireplace with the living room decorated in the Christmas motif.

Miss Bonham chose a ballerina length fashion of white Florentine faille and carried a white Bible graced with a gardenia and rose corsage. Mr. Bonham gave his daughter in marriage.

Faith Currier served as matron of honor and was attired in a gown of pale pink with matching shade carnations in her bouquet. Peter Stevenson served Mr. Clark's best man.

The bride's mother was gowned in black taffeta with gardenias while the bridegroom's mother wore a rose taffeta gown and gardenias.

Following a brief honeymoon the couple will travel to Georgia where the bridegroom is stationed with the United States Army.

Out of town guests included: Mrs. Dan Tripp, the bride's maternal grandmother, and Mr. and Mrs. Robert Roberts of San Jacinto; Mrs. Cecil Jones and Mrs. Robert Jones of Lancaster; Chester Clark, the bridegroom's grandfather of Youngstown, Ohio.
